SPECIAL THANKS TO OUR SPONSOR METROPOLIS

A big heartfelt thanks to Rotary Club Of Coimbatore Metropolis for sponsoring our club. We really would not have existed without your shelter. Special thanks to our mentor/advisor/uncle PDG GSR V. Rajkumar for his continuous encouragement, help, guidance through our journey towards creating Metro Dynamix.

A special thanks to President of Metropolis Rtn. Janakiram and Secretary Rtn. Shanthi Suresh for their presence, encouragement and guidance.

PRESIDENT'S MESSAGE

Wow! Never expected all this to happen. Everything just fell on my plate and here I am as President of MetroDynamix. I just embraced the situation and proved that Rotary Opens Opportunities! Thanks to Reshma for giving me the initial encouragement to be the President.

I see Rotary as a phenomenal platform to change the world. I believe I can have the greatest influence by empowering others to create the change they wish to see in the world. I've gained leadership insights through my experiences in RYLA and Rotaract, and now, as charter president of the Rotary E-Club of Metro Dynamix. Metro is from our REAL Parent Club and Dynamix is since we are a mix of dynamic people from all around the world.

Our club has 31 members all between the ages of 20's to 40's and most of us have experienced Rotary programs by being a part of Rotaract, Interact, RYLA and Youth exchange. I'm proud that, through our club, we are bringing youngsters together for a new type experience through Rotary. I am excited for our future.

We are going to foster a culture of Fun, Friendship and Innovation to Educate Transform and Empower for the Rotary year 20-21. Our very first launch project is all about education and empowering three students so they can put their skills to use, be successful individuals and serve the community in future.

The COVID-19 crisis has forced all of us to adopt, adapt and improve. This is our great challenge, not just in the next year but into the foreseeable future. It is up to us to make Rotary for these new times – to wholeheartedly embrace the ideas, energy, and commitment of young people willing to help. We are an organization fully enmeshed in the digital age, not one that simply looks for online ways to keep us going.

The world needs Rotary now more than ever. It is up to us to make sure that Rotary Opens Opportunities for generations to come.

Rtn. Divya Chandan
President 2020-21
Rotary E-Club of Metro Dynamix

Dear charter members of the Rotary E-Club of Metro Dynamix: I am incredibly pleased and proud to welcome your Rotary E-Club of Metro Dynamix into the Rotary family. Rotary clubs provide a place for those with a passion for community service to connect, share ideas and discover how to make a difference in the lives of others. I am delighted that your club will join us as we confront some of the world's most critical and widespread humanitarian issues.

Chartering a new club is exciting and challenging. The key to success is building a strong, engaged membership dedicated to the idea of service, ranging from local community-based projects to major global initiatives.

Together, we will accomplish great things as we serve local and international communities as Rotary Opens Opportunities. Congratulations again to the Rotary E-Club of Metro Dynamix. I wish you great success for many years to come.

Rtn. Holger Knaack
President 2020-21
Rotary International

RI DISTRICT 3201 GOVERNOR'S MESSAGE

Dear members of E Club Metro Dynamix, I am extremely happy that E Club Metro Dynamix has been added as the 147th club of our District 3201, with all young men and women as its members joining from different parts of the world. Happy to learn that, club is having a diverse membership pattern with highly educated and young professionals. Congratulate President Rtn N Janakiram Raju and GSR PDG Rtn V Rajkumar for their great initiative in the formation of the new club.

Welcome all members of E Club Metro Dynamix to the worldwide association of Rotary International. Congratulate all members for taking the right decision to join one of the finest and networking service organization in the world with 115 years of history. World over Rotary has done many projects for the uplift of poor and downtrodden.

The work that we have done to eradicate the most dreaded disease, poliovirus from the face of earth, is the classical example of our commitment to mankind. Apart from polio eradication, Rotary has taken up many projects with respect to peace and conflict prevention, disease prevention, water and sanitation, maternal and child health, basic education and literacy and economic and community development. Environment is the recent addition as the seventh focus area. Rotary has also many programs for overall development of Youth.

The Rotary International Theme for the current year is "Rotary Opens opportunity". Rotary gives unlimited opportunities for all us to serve the people, to travel around the world to put our service ideas into action, to connect with each other, to attain leadership positions and so on. By virtue of your membership in this club.

You have been admitted not only to the membership of Rotary Club Of E Club Metro Dynamix , but to the worldwide association of Rotary. And you will be welcomed into the fellowship of any Rotary club in the world.

Make use of your profession as an opportunity to serve the community. Serve with love and enjoy every minute of being a Rotarian. Good wishes and God speed.

District Governor 2020-21
RI District 3201

RC COIMBATORE METROPOLIS, PRESIDENT'S MESSAGE

My Dear Team Dynamix, As President of the prestigious Rotary Club of Coimbatore Metropolis, I am pleased to witness the progress and various mile stones your team has accomplished in just about 6 months time.

Subsequent to the initiative to sponsor an e Club in June 2020 by IPP. Rtn. P.R.Vittel and IPDG Rtn. Madhav Chandran, there was no going back. Hind sight, in July, our decision to encourage our Metropolis Annettes to be part of this e Club, paved way for establishing a strong base. Post which, inviting Annettes of other Rotary Clubs and like minded friends gave a prudent mix of variety of members. It has been proved well this year "Rotary opens opportunities".

We went through a very systematic approach with several orientation programs involving PDGs, DG Elect and an e Club expert. This gave an overview of Rotary, functioning across the globe in general with fellowship and service projects. In parallel, Metropolis members could share with the team, their experience with major events, service projects and other fellowship activities.

Sunday meetings proved effective in deliberating and firming up of several pre requisites like the Team of Office bearers, Roles and Responsibilities, Name of the Club, Design, Logo, Bye Laws, Subscription, Projects, etc.,

PDG. Rtn.Rajkumar played a key role as GSR in knitting together many areas for a wonderful fabric that can now perform on its own. We would like to place on record our sincere Thanks to our Metropolis members for their valuable inputs and Thanks to our DG Rtn. Jose Chacko for his support and encouragement.

I am pleased to observe the remarkable progress at each and every stage. No wonder, today the Rotary e Club Metro Dynamix stands tall and proud with 31 members strong, steadfast, with a brilliant mix of gender, geography, profession, and hobbies, that would achieve greater heights in the years to come. I am fully confident that the robust process that the team has gone through, will facilitate a brilliant take off. At Metropolis, we believe in Fellowship & Service at equal breadth and Engage Every Rotarian in our plans and programs.

On behalf of Rotary Club of Coimbatore Metropolis and on my own behalf, I wish the team Rotary e Club Metro Dynamix, all Success in their endeavours and establish themselves as a Role model e Club for the similar Clubs in future. A sound PURPOSE and a robust PROCESS, guarantee a sustainable PAY OFF. Best wishes and warm regards

Rtn. N. Janakiram Raju

SUNDAY SOCIAL

Journey To Charter Day

On June 28th 2020, a vibrant group of about 31 clueless enthusiastic Annettes of Rotary Club of Coimbatore Metropolis and 25 optimistic dads and moms met up virtually with a notion of an E-Club in Rotary. We were inspired by the message shared by DG Madhav Chandran, Dt Director Murugan, Assnt Gov Mayilsamy, and our sponsor club members, President Vittel and PDG Rajkumar. Thus began our journey!

After orientations and several informative sessions from eminent speakers and their relations with Rotary, our E-Club finally took shape under the name Metro Dynamix on August 16th. Our office bearers were all lined up and ready to assume charge on August 17th. Bylaws and budget were drawn and the logo unveiled on September 11th.

As we were shaping up the club and its constitution we were also audience to our parent and sponsor club's interesting events that covered a wide spectrum of topics. A fun Tambola nite with Rtn Gurdip Singh Anand and the very informative fireside chat with our parent club member Rtn Prashanth on September 27th and several others.

Our virtual meets along the way were fulfilled and brought us all a step closer to each other. We had the pleasure of hearing from many of our versatile members from around the world about their varied backgrounds and their vocational talks were an eye opener and brought our worlds closer. Let's not forget all the fun that we had along the way! What started as an icebreaking session, virtual fun games became a norm in all our Sunday socials, with fun games hosted by our fellow members. From the resilient crossword, to the breezy and nostalgic naming the jingles game, our Sunday socials seldom ceased to entertain.

Our in person social on November 5th was a starter of sorts for the incredible journey ahead. With hot chai and samosas the members shared a happy note in the cozy and safe setup of Rtn. Palaniappan's [Rotary Club of Coimbatore Metropolis] board room with all masks and sanitisers in place.

We recieved our charter certificate on Nvember 16th. We are now a chartered club!
Oh what a joyous moment it was to receive the charter certificate!

It's show time! Rotary International – We are Rotary E-Club of Metro Dynamix.
Here we come!!!

Mean While

A few members from our club attended the Global Rotary E-Clubs Meet. This meeting made the diversity and networking of Rotary clear in an impressive way. RI President Rtn. Holger and the First Lady Rtn. Susanne (member of a E-Club) were the chief guests for this 6 Continents, 28 Countries with a total of 80 E-Clubs. They said that there is lot of room for innovation with E-Clubs and we planned to meet again next year and make it an annual event.

Objective :

To identify prospective candidates from Women's Polytechnic College, Coimbatore and to support them by sponsoring their education and enabling them establish a stable career.

How did it happen?

Our club, Metro Dynamix has been looking to launch our debut project in alignment with the objective of our club this year to educate and empower women. We identified a great opportunity to lead and adopt a similar project as that of our sponsor club, Rotary Club of Coimbatore Metropolis who have been working on a project with similar but at a larger scale objective of sponsoring education for 40 deserving students from Women's Polytechnic College, Coimbatore.

Our Club has taken up the sponsorship of three such candidates from Women's Polytechnic College. The criteria which we had set to identify the candidates were:

- ▶ Economically deserving students.
- ▶ Fair academic performance.
- ▶ Good conduct certificate provided by the Institute.
- ▶ Students from the Final year of college.

Scope of the project

- ▶ The three identified students will be sponsored their tuition fees, examination fees and boarding fees.
- ▶ The sponsorship amount will cover their fees from Dec 2020 to April 2021.
- ▶ The total sponsorship amount allocated for this project will be Rs 15,000 approx for a boarder and Rs 3,500 for a day scholar.
- ▶ This will be an ongoing project with the incoming office bearers next year continuing the project to enable career support for the beneficiaries.
- ▶ Few of our members have volunteered to participate in the initial sponsorship of this project.

About the candidates

Currently the three candidates are pursuing their final year at Women's Polytechnic College. By choosing final year students, we are also able to bridge their lives onto a stable career. Witnessing the benefits of settling in their careers will be a driving force for us to indulge in many such social projects. Out of the 3 students, Trishadarshini and Rajalakshmi are boarding students and Sarala is a day scholar.

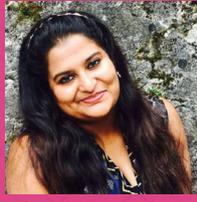

Our club looks forward to the successful execution of this project and many more socially responsible projects in the days to come.

#Kudos Pavithra & Deepa -

Thank you for using your remarkable talents for bringing our club's message to life on our website and PULSE report. Your hard work, commitment, and willingness to take on more work is inspiring. Keep up the great work! ~Preetha

At a meeting held on October 11th, members Preetha & Aarthi shared information about a seminar that they had organized in June 2019 at Ramalinga Sowdambikai College, Coimbatore where they shared self defense techniques to 270 college students. They proposed the idea for our club to launch this as a signature program in addition to supporting mainstream Rotary projects.

The program coined as “DynamixSTRONG” is to empower young women in colleges and schools. The program will introduce self-defense techniques that will be incorporated as part of the routine PE/PT curriculum at the institutes. This initiative has a lofty goal of reaching all of India so no girl is left behind. DynamixSTRONG aligns with our club’s vision statement and is a reflection of our member’s commitment to prioritize education and women empowerment as primary focus areas. The core committee will discuss the project details in 2021, share with all members and together we will formalize program launch.

As long as women continue to be in a position of receiving rather than giving, they shall continue to bear injustice

~ Kiran Bedi

Hello Dynamix peers!

At the outset, I would like to register how grateful I feel for having to serve as the Charter Bulletin Editor of Rotary E-Club of Metro Dynamix. My vision is to bring out all our game-changing projects and much more inspirational Rotary stories through this bulletin. I sincerely hope that all my fellow members will play an integral part in making the consecutive bulletins more informative, creative and interesting. The making of this Charter issue has been a very pleasant experience. Looking forward to connect with everyone!
